C	Transmission of COVID-19	<p>Bubbles will not mix Increased cleaning routines, to include 'pinch points' for staff and children. Staff to be responsible for regular cleaning within the classroom setting. Staff to ensure that cleaning monitoring sheets are completed after wiping down and cleaning at all cleaning points. Anti-bacterial gel to be used on entry by all persons Anti-bacterial gel dispensers placed at regular intervals and pinch points; corridors, top and bottom of stair case, near serving hatch in hall Pupils to have their own equipment Equipment not to be shared between bubbles Staggered play times and lunch breaks to avoid mixing with both children and staff Considered routes in corridors when leaving classrooms for break and lunch time to reduce any potential mixing of bubbles Fire drill protocols to be considered and adapted to reduce the potential mixing of bubbles Allocated toilets to each year group bubble to reduce risk of cross contamination Staff to regularly wipe down pinch points in both children's bathrooms and staff bathroom after use. Classroom desks in KS2 to be arranged for limited 'face on' contact between children If a pupil or member of staff tests positive for COVID-19, bubble to self-isolate for required time Regular handwashing by all persons Social gatherings not to take place- limited use of the staffroom and other communal areas (e.g. library, hall) Car sharing with people from other households discouraged- face masks to be worn if this is unavoidable Outdoor gyms and shared apparatus to be put out of use Appropriate use of PPE for intimate care needs Visual reminders of social distancing around site Bubbles are limited in their movement around site Isolation room in place in the event of onset of COVID-19 symptoms in children or staff. If the isolation room is used, it will be cleaned afterwards, in addition to the routine cleaning. Soap, tissues, anti-bacterial wipes and anti-bacterial gel is in all classrooms and offices; staff to log any shortages on Every so that it can be replenished immediately by site team Adults to adhere to social distancing guidance In the event of a confirmed COVID-19 case, the bubbles classroom and toilets will be deep cleaned All PE equipment to be cleaned between uses All electronic devices for the children will be cleaned between uses Staff are responsible for regular cleaning of their own electronic devices Staff are given the option to wear a face-covering in communal areas, e.g. corridors Staff are to wipe down the photocopier after use Staff will ensure that windows and doors are opened where possible to ensure adequate ventilation.</p>	2	4	8	
D	Safeguarding	<p>RA in place for key children (eg SRP pupils, CEV) RA created for key staff members (CEV) Visitors to site will share contact details should a COVID case be confirmed, these will be held securely for 21 days and then destroyed School lockdown procedures to be shared Meetings held by safeguarding lead and PSA will be pre-booked and seating spaced accordingly. The room will be cleaned after</p>	2	3	6
