

Parent Forum minutes
Wednesday 16th March 2022 2.30pm-3.00pm

	Item	Purpose
2.	What are your views on our school uniform?	Parents said that they like the uniform and the fact that there is a choice of having a plain jumper/cardigan or to have the school logo. They like the blazer and think they look smart but this is no longer available to purchase. One parent said that she likes the purple hoodies especially as the hood could be used as a comfort for children with additional needs.
3.	Is our uniform practical?	Parents think that the uniform is ok in terms of practicality. Due to the white shirts/t-shirts they do find that they become marked easily with pen.
4.	Is our uniform affordable?	Even though some parents like the blazer they found it to be expensive. Most of the uniform is affordable as it can be purchased from supermarkets to suit parents' finances.
5.	AOB	<p>Road safety- Some parents have concerns around children's road safety while walking to and from school- the school could provide road safety assembly.</p> <p>Reading- some children are finding it difficult to access the downloaded books. Can only download one book at a time and this can only be read once. If a child wanted to part read a book and go back to this later they are not able to access this. Only one book a week is being uploaded for children to read at home. Discuss with class teachers who can support.</p> <p>Lunch monitors- A parent had said that her child is not eating at lunch times and is either throwing her lunch away or giving it away to other pupils. HT & PSA said that they think it might be an idea if packed lunch children are to take their rubbish / uneaten items home so parents can see what has been eaten.</p> <p>Are the school recruiting volunteers? Please make an appointment with HT if interested.</p>

		<p>A parent asked if Parent Forum meetings can be made longer? HT & PSA- from next term, meetings will be made 10 minutes longer.</p> <p>After school clubs- would the school be able to provide other clubs such as karate, dance, gymnastics, boogie tots etc from outside agencies? HT- the school could do a survey for parents and children asking their views/ opinions/ ideas.</p>
